

Table with columns for subject (各教科等), learning objectives (育成を目指す資質・能力), knowledge and skills (知識及び技能), and thinking/communication skills (思考力、判断力、表現力等). It includes a detailed curriculum map (カリキュラムマップ) for each month from April to March, listing specific learning activities and units. A summary section at the bottom details learning time for general learning, special moral education, foreign language activities, and school events.
